Portfolio Assessment in Early Childhood

Documenting Growth, Celebrating Learning :)

April M. Bagon-Faeldan

What we will discuss:

01. What is Portfolio Assessment?

02. Key Features of a Portfolio

03. Types of Portfolios

04. What to Include in a Portfolio?

05. Steps in Creating a Portfolio

06. Benefits for Children

07. Benefits for Teachers & Parents

What is Portfolio Assessment

- A purposeful collection of children's work
- Shows learning progress over time
- Includes observations, photos, and samples
- Focuses on growth, not just scores

Why Use Portfolio Assessment?

- ✅ Shows real learning
- ✅ Tracks development
- ✅ Encourages reflection
- ✅ Strengthens parent communication
- ✅ Supports individualized teaching

Key Features of a Portfolio

- Systematic collection
- Authentic tasks
- Ongoing documentation
- Child-centered
- Developmentally appropriate

Types of Portfolios

📂 **Working Portfolio**

- Current works
- Drafts and practice

🌟 **Showcase Portfolio**

- Best outputs
- Final products

📈 **Assessment Portfolio**

- Evidence of progress
- Used for evaluation

What to Include in a Portfolio?

- Drawings and artwork
- Writing samples
- Photos of activities
- Teacher observations
- Checklists
- Anecdotal records

Audio/video recordings

Steps in Creating a Portfolio

- Set learning goals
- Collect evidence regularly
- Date all samples
- Organize by subject/skill
- Reflect and evaluate
- Share with parents

Benefits for Children

- Builds confidence
- Encourages self-reflection
- Shows improvement
- Motivates learning
- Promotes independence

Benefits for Teachers & Parents

Teachers

- Better understanding of child development
- Guides instruction
- Tracks progress easily

Parents

- See real evidence of learning
- Increased involvement
- Stronger school–home connection

Challenges & Solutions

Challenges

- Time-consuming
- Storage issues
- Organization difficulty

Solutions

- Use digital portfolios
- Schedule weekly documentation
- Use folders/checklists

Digital Portfolios

- Easy storage
- Shareable with parents
- Eco-friendly
- Organized
- Multimedia friendly

Examples:

- Google Drive
- Seesaw
- ClassDojo

Sample Portfolio Layout

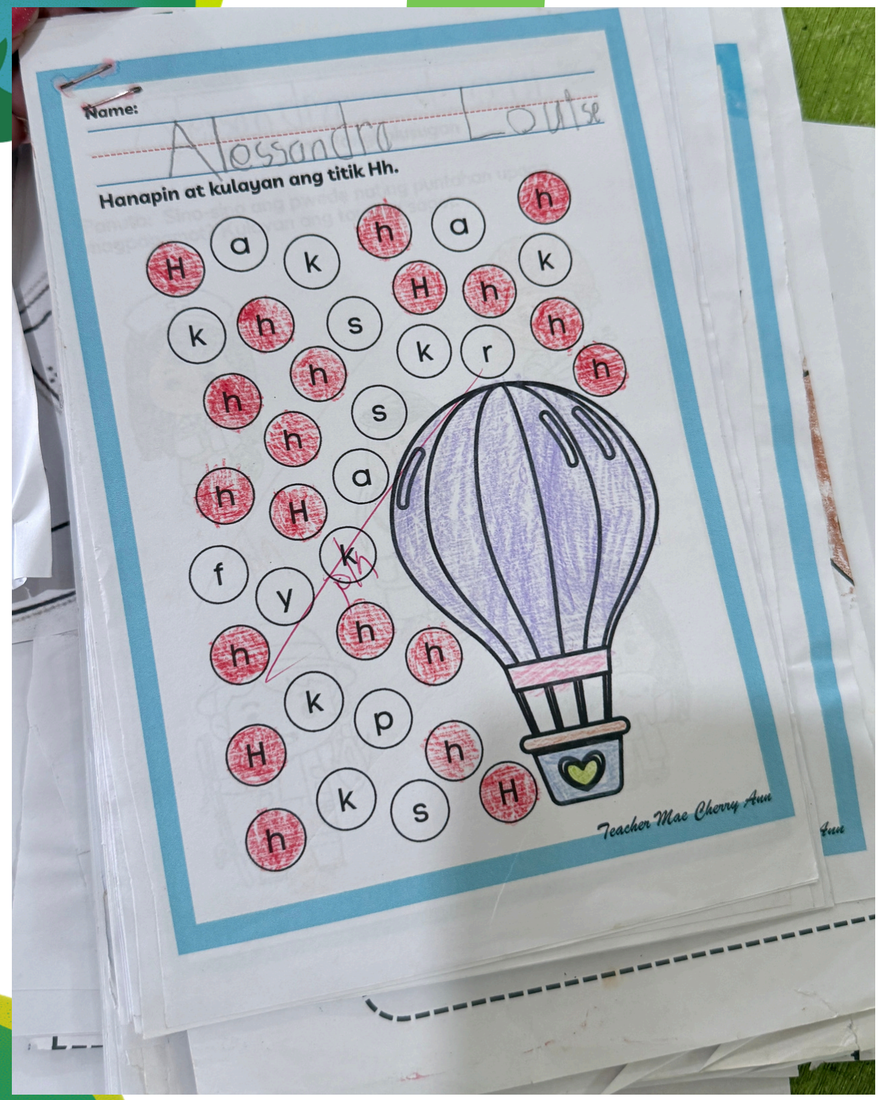

- Profile
- Learning Goals
- Work Samples
- Observations
- Photos
- Reflection
- Parent Feedback

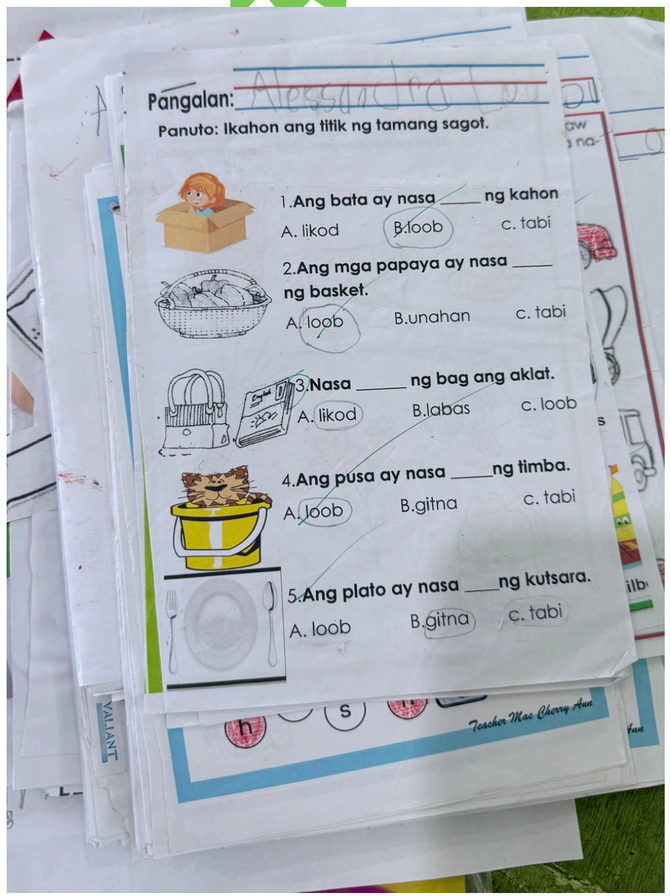

Best Practices

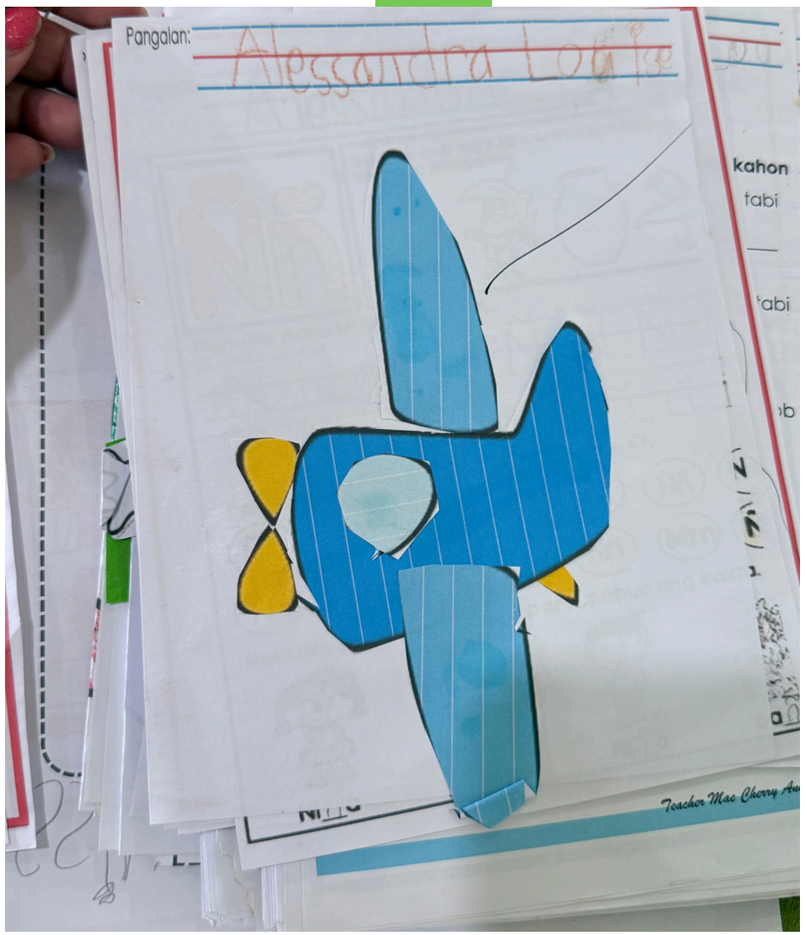

- Be consistent
- Date everything
- Include variety
- Focus on growth
- Involve children
- Communicate with parents
